

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF EAST CLARK)	
COUNTY WATER DISTRICT TO INCREASE)	CASE NO. 2004-00378
CERTAIN NON-RECURRING CHARGES)	

O R D E R

On September 24, 2004, East Clark County Water District ("East Clark") applied for authority to increase certain non-recurring charges. On October 22, 2004, the Commission issued an order suspending the rates for 5 months from October 24, 2004 up to and including March 23, 2005. East Clark has provided adequate evidence of the individual expenses incurred to provide the services associated with the proposed charges. The Attorney General was involved in this case.¹

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. The proposed charges are equal to or less than the expenses incurred to provide the associated services.
2. The charges and policies set forth in the Appendix to this Order are fair, just, and reasonable and should be approved.

¹ The Attorney General's ("AG") motion to intervene was granted by Order issued October 22, 2004. In addition, the AG objected to certain proposed charges and requested that further proceedings be conducted on the matter. By "Notice Concerning Application" filed on November 18, 2004, the AG withdrew his opposition to the charges, and stated that "he has no objection for submission of this matter to the Commission for a decision."

IT IS THEREFORE ORDERED that:

1. The charges in the Appendix are approved for services rendered on and after the date of this Order.

2. The proposed tariff sheets filed by East Clark are approved as filed.

Done at Frankfort, Kentucky, this 15th day of December, 2004.
